Petition for help to The Honorable Mayor Shirley Franklin

The home owners and resident of Cairo, Jett, Joseph P. Lowery and Neal Streets are asking for your help and assistances in elevating a very serious, costly and time consuming problem. We have been the victims of 3 major floods in less than 12 months, One in September of 2002, and 2 that occurred on the following dates May 6 and May 15, 2003. The residents have been experiencing flooding in this area for over 30 years and was not able to get any help in the past, but the major flooding did start until a work crew came out in the Spring of 2002 and worked on the sewer lines or storm drains. We have spoken to the Dept of Water and Sewer Services and no one there seems to know what changes were made to the sewers and storms. When this work was preformed. Since than have been experiencing major sewer and storm drain backups into our homes and yards.

These 3 floods have caused an ongoing financial, health and emotional hardships and is putting the entire areas health at serious risk. In particular the residents of Jett, Joseph P. Lowery and Neal streets have at least a foot of stagnant sewer and rain water standing in various places on their properties. Creating a health hazard for the entire area by providing a breeding ground for mosquitoes (the major cause of West Nile Virus), mold and mildew.

Most of our residents are retired, elderly, ill or families who are already struggling during these difficult and uncertain economic times and many of us are living on a fixed incomes. We are already living with tight budgetary concerns and we can not afford the extra expenses cause by these flood. Some of our residents have had to borrow money to cover the cost of mold and mildew cleanup and replace and or repair furnaces, hot water heaters, washers, dryers, lawn equipment, furniture, clothing and other personal property. We are asking for your help in correcting what ever is causing the sewers and storm drains to backups.

We would like to thank The Dept of Sewer Service especially Mr. Thurmond Burdette, SR. and Mr. Bobby Bankston for their help and concern for our situation. And we would also like to thanks the employees of the Acme Cleaning Services for doing a fine job.

Yours Truly
The Residents
